RE: Front End Developer

Dear Hiring Manager,

Please consider my application for the Front End Developer position. I believe that my skillset and experience match well with your needs. I have included my resume for your review and look forward to learning more in this field.

Front End Developer with 1 years of experience during study. Highly adept at handling various responsibilities by prioritizing my tasks, establishing clear deadlines and finding creative solutions to eliminate obstacles. My experience has equipped me with the necessary tools to succeed in this position:

- HTML & Css
- JS
- React
- Responsive design

While I am grateful for the opportunities afforded to me in my prior position, I am ready to embark on a new career path that offers new challenges for me to put my skills to use.

In reference to the gap in employment shown on my resume, I capitalized on an opportunity to come to Sweden in an effort to gain new experiences, foster personal development, and bring a renewed perspective to my field of study. This period allowed me to build strong connections with other individuals and cultures, which has cultivated new growth and a better understanding of my future goals.

I would greatly appreciate your review of my enclosed resume and outlined credentials. I believe that I can be a valuable addition to your business goals. At your convenience, I am available for an interview or further discussion. I look forward to your response.

Sincerely,

Tabassom Roohafza
